Dear CRAFT'ers *these Exhibits are samplers only* – entree's if one will. Follow your own guidance of by all means, seek out Dr. Google's wisdom or even contact me for further info. The essence of this CRAFT Issue is, in some small way, to seek to re-assemble some of the shards of an Archaic Wisdom¹ by bringing forward that which was put to the side by the Enlightenment (to which we nonetheless owe a deep debt of gratitude). We have in effect not kept (Doula'ed) the archaic grounded space for our soul/midwife/Maieu to guide our lives. Modernity no longer celebrates the Doula/Goddess holding the space for/nor the Midwife to aid the birth of the new.

Men's Re-birthing Doula – MythoPoetic Men's Movement – Aust: This information comes close to 'secret men's business' and is provided approach to re-birthing often occurs on 'men's retreats' of which I have been on several and part of this process is to seek to renew/repair the rent that often occurs for men between Birth/Mother/Fellow Men as in Re-Birth/Gaia/Men's retreats. So my experience in this is to be buried, as much as practicable, in an ancient river bed and then through gripping the hand of ones Men's Midwife under the watchful eye of your **Men's Re-birth Doula** be pulled from Gaia as if from her womb. These several experiences have been, and continue to be, deeply moving for me. Intriguingly these weekends were called intriguingly 'Wildman Weekends'!!! of all things...
